

# Reign In Me

Jeremy Camp

I have seen so many teardrops  
Fall to the ground  
I've held the hand of God's children  
Once lost and now found

I have walked it and I know  
That my King is alive  
And no other one  
Has the love You provide

I want all who I meet  
To see You through me  
I want all that I speak to be You

If there's anything that I would pray  
It's that the whole world would seek Your face  
And in spite of who I can be  
Please reign in me  
Reign in me

I know it starts with the desire  
To give You control  
To lay down all my dreams  
So You have my heart in full

Lord I know this weary battle  
It begins on my knees  
In everything I want You to be pleased

I want all who I meet  
To see You through me  
I want all that I speak to be You

If there's anything that I would pray  
It's that the whole world would seek Your face  
And in spite of who I can be  
Please reign in me  
Reign in me

I can see the waters rising  
I can hear the hearts reviving  
Through You there's nothing we can't do

Let's carry the people crying  
And be a generation fighting  
To lead the lost into Your hands

If there's anything that I would pray  
It's that the whole world would seek Your face  
And in spite of who I can be  
Please reign in me, oh yeah  
Reign in me, yeah  
Reign in me, yeah

Reign in me, reign in me  
(In my heart, in my mind, in my soul  
Be the Lord of my life, take control)
