

# Restored

Jeremy Camp

All this time I've wandered around searching for the things I'll  
I never know  
I've been searching for this answer that only will be found in  
your love  
And I feel it  
My heart is being mended by your touch  
And I hear it  
Your voice that's shown my purpose in this world

You have restored me from my feeble and broken soul  
You have restored me

I've only come to realize my strength will be made perfect at y  
our throne  
Laying all reflections down to see the precious beauty that you  
've shown  
And I feel it  
My heart is being mended by your touch  
And I hear it  
Your voice thats shown my purpose in this world.

Laying all these questions down youve answered what I need  
Youve given more than I deserve your making me complete  
You give me all these open doors I'm humbled at your feet  
To show me what youve done for me.

All this time I've wandered around searching for the things I'll  
I never know.
