

Right Here

Jeremy Camp

"All the world is watching
all the world does care
Even when the world weighs on my shoulder now
these feelings I can bear

Because I know, that
You're here
everywhere I go I know
You're not far away
You're right here,
You're right here

All these thoughts I've wasted
all these thoughts I've feared
Even when these thoughts are faded
I still know that
You hear so I can rest my hope in You

Everywhere I go I know You're not far away
You're right here, You're right here

The many times that I have felt alone
the many times that I have felt the world was
crashing down upon me
You always stood here by my side
You were always there

Everywhere I go I know You're not far away.
You're right here, You're right here"
