

Gotta Let U Go

Greene, Jeremy

Ooooooh
Hmmmm Yeah

[Na'Sha:]
There was a time that I once loved you
There was a moment I could trust you
Now that it's over
I can't believe it
I can finally breathe again

You say you don't understand
So I take you by the hand
Then I remind you
How you control me
I can be myself again

Then you remember what you did to me
And all the things you said to me
Oh, and baby I'm movin' on

I don't wanna let you go
But I need my space to grow
Baby, I'm sorry
I know you need me
But I gotta let you go
And I don't mean to break your heart
I wish I know this from the start
You say that you're sorry now that I'm leaving
But I gotta let you go

[Jeremy Greene:]
I was s'posed to be the one
Instead I left you all alone
Baby I'm sorry
Can you forgive me
I don't wanna let you go

You say that you need some time
When I thought everything was fine
Now that you're leaving
I can't believe it
Baby baby please don't go

I can't remember what I say to you
And all the lies I told to you
Oh

[Na'Sha:]
And baby I'm movin' on

Girl I don't wanna let you go
But I need my space to grow
Baby, I'm sorry
I know you need me
But I gotta let you go
And I don't mean to break your heart
I wish I know this from the start

You say that you're sorry now that I'm leaving
But I gotta let you go

[Bridge: Jeremy Greene]
I know there are time our love could grow
But you don't believe in me anymore

[Na'Sha:]
But that time's enough for things you do
And I'm not sure if you've been true
'Cause I'm not in love with you anymore

I don't wanna let you go
But I need my space to grow
Baby, I'm sorry
I know you need me
But I gotta let you go
And I don't mean to break your heart
I wish I know this from the start
You say that you're sorry now that I'm leaving
But I gotta let you go
