

# Head Start

Jeremy Loops

When I grow up  
I want to be young  
Heard you got love  
Can I get some?  
Hook me up a fresh start

I wish I could say  
I wish I could warn  
Warn myself  
Before I was born  
Give myself a head start

Rob me of my innocence  
Leave me with the consequence  
Tell me that I'm out of my mind  
And I've been to hell and back again  
But everyone still acts the same  
Have you seen the world is on fire?

When I grow up  
I want to be young  
Heard you got love  
Can I get some?  
Hook me up a fresh start  
I wish I could say  
I wish I could warn  
Warn myself  
Before I was born  
I'd give myself a head start

When I grow up  
When I grow up  
Forward never looking back  
I don't try to hide the cracks  
All my bad decisions  
Leave 20/20 vision  
And home is where I hang my hat  
In the Cape sun on my back  
Been locked down  
But still fighting  
And I hope you're by my side

When I grow up  
I want to be young  
Heard you got love  
Can I get some?  
Hook me up a fresh start

I wish I could say  
I wish I could warn  
Warn myself  
Before I was born  
I'd give myself a head start

When I grow up  
I want to find peace now baby it's on  
When I grow up

Nothing less and nothing more  
When I grow up  
I hope you find peace now baby come on  
When I grow up  
Nothing less and nothing more

Rob my of innocence  
Rob my of innocence  
Tell me that I'm out of my mind  
Tell me that I'm out of my mind  
Been to hell and back again  
And I've been to hell and back again  
Have you seen the world is on fire?  
Have you seen the world is on fire?

When I grow up  
I want to be young  
Heard you got love  
Can I get some?  
Hook me up a fresh start  
I wish I could say  
I wish I could warn  
Warn myself  
Before I was born  
I'd give myself a head start

When I grow up  
I want to find peace now baby it's on  
When I grow up  
Nothing less and nothing more  
When I grow up  
I hope you find peace now baby come on  
When I grow up  
Nothing less and nothing more  
When I grow up  
When I grow up
