

Killer Killer

Jeremy Loops

He walks along, sits a while
Wonder in his heart, he says
"Callous little world, you're a
Killer, killer"

And he waits for the world to end
With wonder in heart, he says
But it's only in his mind he's such a
Killer, killer

But we stand tall!

Hey, hey, hey, uh
Ho, ho, ho, uh
Hey, hey, hey
I will not go!

Gently into the night, he said
I will not creep, I will instead!
Why can't you leave, that's it, you see
Walk over there to this year's bed

And as he falls asleep, these tender sheep
I cannot reap, what's dead is dead!

But we stand tall!

Hey, hey, hey, uh
Ho, ho, ho, uh
Hey, hey, hey
I will not go!

Stay a while...
Stay a while...
Stay a while...
Stay a while...

I will not go!

Hey, hey, hey, uh
Ho, ho, ho, uh
Hey, hey, hey
I will not go!
