

Deathbed Salesman

Jeremy Messersmith

I can tell you've got taste
You shouldn't have to settle
You deserve the best
So why not rest in style?
What's that you say? You're feeling fine?
Well, if you want my opinion
In this line of work
It never hurts to plan

This is how it has to end
So love somebody while you can

No, you won't need to pack
You've got a reservation
But you don't have to wait
If you don't want to
And you won't feel a thing
All your friends are there already
Once you're gone
You'll never want to live again
