

# Survive

Jeremy Renner

(I'm falling down)  
(Who'll save me now)

Sinking  
Into the deep end  
But I'm not gonna drown

Breathing  
It's getting harder to breathe in  
From the weight of the dark  
All you hear is your heartbeat's sound

I'm falling down  
It's calling out  
Who'll save me now

Gotta take me alive  
I was born to survive  
I look fear in the eye  
And I'm ready to fight for what's mine  
Dive into the blue  
No I'm not gonna lose  
I close my eyes and  
Know that I'll survive

Breathing  
It's gettin' harder to breathe in  
In the black of the dark  
All you hear is your heartbeat's sound

It's the call of the wild  
It's the chill of the night  
The thrill of the high  
When you're not ready to die  
It's takin' a hold  
I'm not ready to go  
Cause I am the animal

Gotta take me alive  
I was born to survive  
I look fear in the eye  
And I'm ready to fight for what's mine  
Dive into the blue  
No I'm not gonna lose  
I close my eyes and  
Know that I'll survive

(I'm falling down)  
(It's calling out)  
(Who'll save me now)

Gotta take me alive  
I was born to survive  
I look fear in the eye  
And I'm ready to fight for what's mine  
Dive into the blue  
No I'm not gonna lose

I close my eyes and  
Know that I'll survive
