

Draw Near

Jeremy Riddle

Draw near to me
For I have drawn near to You
Pull on the strings of my heart
For I long to respond to You

All my love is for You, all my love is Yours
All my love is for You, all my love is Yours

Draw near to me
For I have drawn near to You
Pull on the strings of my heart
For I long to respond to You

All my love is for You, all my love is Yours
All my love is for You, all my love is Yours

I have made a place for You here
So come on, come on
All things are possible here
So come on, come on

I have made a place for You here
So come on, come on
All things are possible here
So come on, come on

Draw near to me
For I have drawn near to You
Pull on the strings of my heart
For I long to respond to You
