

More Than A Friend

Jeremy Riddle

Just Like Heaven album version and the version on We Welcome You:

In the quiet
Of my soul
In the stillness
I hear Your voice call
And I am overwhelmed
And I am lost for words
To describe You

Jesus You're more than a friend
Jesus You're more than my heart
Could ever express
Your love and Your grace never fail me
Your merciful touch always heals me
You bring joy to my soul
Joy to my soul

My heart longs to worship
You my King
And I long to bring You
A pleasing offering
And I am overwhelmed
And I am lost for words
To describe You

Jesus You're more than a friend
Jesus You're more than my heart
Could ever express
Your love and Your grace never fail me
Your merciful touch always heals me
You bring joy, You bring joy to my soul

Jesus You're more than a friend
Jesus You're more than my heart
Could ever express
Your love and Your grace never fail me
Your merciful touch always heals me
You bring joy to my soul

Oh, Jesus
You bring joy to my soul
Jesus
Your love and Your grace
Your merciful touch
Brings joy to my soul, brings joy to my soul

Joy to my soul
Oh, Jesus
You bring joy to my soul

Jesus You're more than a friend
Jesus You're more than my heart
Could ever express
Your love and Your grace never fail me
Your merciful touch always heals me
You bring joy to my soul
Joy to my soul
