

# One Thing

Jeremy Riddle

This one thing I much desire  
And to this end to never part  
A devoted and simple life  
A focus of mind and heart

On Jesus, on Jesus  
I want to know Jesus  
I must know Jesus

My request is not naive  
Nor made without counting cost  
The whole of my life is Yours  
And everything else is lost

On Jesus, on Jesus  
I want to know Jesus  
I want know Jesus, yeah

And you can take this world  
All its lust and lies  
For I've resolved to know  
Nothing but Christ and Him crucified

I've resolved to know Jesus  
I want to know Jesus  
Oh, I want to know You, Jesus  
I want to know You, Jesus  
Yes, I want to know
