

# Let's Drive

Jeremy Shada

Black leather jacket, slick back hair  
Little bit of James Dean, mother has him in her prayers  
Wants to get lost in an angel's eyes  
Pulls out his keys, says, "Baby, let's drive"  
Little red dress, pinned back hair  
Momma don't like what she's wearing, she don't really care  
Wants to get lost in a teenage dream tonight  
So she says

Baby, let's get lost in the street lights  
We ain't never gonna stop chasing the highway high  
Doesn't matter who we are, 'cause I'm yours tonight  
Let's just kick it in gear, and baby, let's drive

Tries to be the cool kid, puts on a brave face  
We all get nervous, butterflies give us away  
Stealing a little more time, loving every minute  
Getting lost in her smile, but he won't admit it  
She's a little bit anxious, more excited than afraid  
Freedom she hasn't felt, a midnight serenade  
Wants to move in close hoping to meet her halfway  
Boy, you're taking too long  
Kiss me already

Baby, let's get lost in the street lights  
We ain't never gonna stop chasing the highway high  
Doesn't matter who we are, 'cause I'm yours tonight  
Baby, let's, baby, let's drive  
We got the radio on, Billie Jean's playing  
Forget your fears, forget what they're saying  
Doesn't matter who we are, 'cause I'm yours tonight  
Just kick it in gear and baby, let's drive  
Baby, let's drive, oh baby, let's drive  
Speeding up, hitting ninety-five  
Heating up, love in overdrive

Don't know where we're going  
Playing a mile by mile, moment by moment  
Red lights turn to green  
Windows down, honey let's burn up the streets

Baby, let's get lost in the street lights  
We ain't never gonna stop chasing the highway high  
Doesn't matter who we are, 'cause I'm yours tonight  
Baby, let's, baby, let's drive  
We got the radio on, Billie Jean's playing  
Forget your fears, forget what they're saying  
Doesn't matter who we are, 'cause I'm yours tonight  
Let's just kick it in gear, and baby, let's drive  
Baby, let's drive, oh baby, let's drive  
Speeding up hitting ninety-five  
Heating up, love in overdrive

Ooh-oh-oh-oh

Ooh-oh-oh-oh

Speeding up hitting ninety-five
