

## A-frame

Jeremy Zucker

We could move upstate  
Buy an old A-frame  
I know you always wanted to  
Live off the land  
Waking at sunrise  
Patient with our time  
Know what it feels like  
To make something  
With our hands

We're saying "I love you"  
And dancing real slow  
The middle of nowhere  
Still you make it feel like home  
Sitting by the fire  
With a bottle of gin  
Baby, it's your world  
I'm just happy that you let me in

Don't know where our friends are  
We'll send them all postcards  
Open a cafe or a bar  
Who needs a plan?  
Who needs a plan?  
You know I don't mind wherever we sleep at night  
It's a matter of time  
And we've got this whole damn life  
I'll always be home  
When you're home

We're saying "I love you"  
And dancing real slow  
The middle of nowhere  
Still you make it feel like home  
Sitting by the fire  
With a bottle of gin  
Baby, it's your world  
I'm just happy that you let me in  
Happy that you let me in  
Happy that you let me in

We'll drive out on 90  
Get some bundles of wood  
Who could've known  
A house all alone  
Could feel this good?

We're saying "I love you"  
And dancing real slow  
The middle of nowhere  
Still you make it feel like home  
Sitting by the fire  
With a bottle of gin  
Baby, it's your world  
I'm just happy that you let me in  
I'm happy that you let me in
