

Change The World

Jericho Rosales

If I could reach the stars I'd pull one down for you
Shine it on my heart so you could see the truth
That this love I have inside is everything it seems
But for now I find it's only in my dreams

That I can change the world
I would be the sunlight in your universe
You will think my love was really something good
Baby if I could change the world

If I could be king even for a day
I'd take you as my queen I'd have it no other way
And our love will rule in this kingdom we have made
Till then I'd be a fool wishin' for the day

That I can change the world
I would be the sunlight in your universe
You will think my love was really something good
Baby if I could change the world
Baby if I could change the world

That I can change the world
I would be the sunlight in your universe
You will think my love was really something good
Baby if I could change the world
Baby if I could change the world
Baby if I could change the world
