

# Lost Without Your Love

Jericho Rosales

Lost and all alone  
I always thought that I could make it on my own  
Since you left I hardly make it through the day  
My tears get in the way  
And I need you back to stay

I wander through the night  
And search the world to find  
The words to make it right  
All I want is just the way it used to be  
With you here close to me  
I've got to make you see

That I'm lost without your love  
Life without you isn't worth the trouble of  
I'm as helpless as a ship without a wheel  
A touch without a feel  
I can't believe it's real...

And someday soon I'll wake  
And find my heart won't have to break

Yes I'm lost without your love  
Life without you isn't worth the trouble of  
All I want is just the way it used to be  
I need you here with me  
Oh darlin' can't you see...  
If we had love before  
We can have it back once more
