Any P, money will solve it
This beat is really banging
Thought I found a solution, sadly
Jayswaarg is the new problem
Am I being a burden?
Wait, am I really bugging?
Jayswaarg, are you recording?

Asa, enwelọọ m time for intro
Gat my mind on crypto
I'm a hustler, for your info
If you close door, m sili window
I'm on top ka stew di n'enu rice
Double sicki when I roll dice
Ghetto living abụlọkwa child's
Fa ga-elesị gị akpọ on a lower price
