

Disintegrate

Jeriq

Finna break shit down, disintegrate
They can tell that the boy been hustling
Fight for the youth then pray for the great
And they talk too much, I'm troubling
Big 45 be all in your face
I ain't even doing no blatant chase
Broski doing amazing grace
Told that ****, "Go hard or back to your place"

Ogbe

First flight to overseas, I'm tracking this milli
Afū m your 12 missed calls during a business meeting
I'm sorry, but I won't call you back unless inwee ezigbo reason
I'm in a tour bus with my homeboys on the way to a sold out show in the city

I'm on the way to the estate with my best mate, **** know that I'm local already
**** tryna call a debt late, get your head straight
'Cos my **** been vocal already
'Cos my **** stay armed and ruthless
Tell me the truth, finna I might not shoot shit
In the back with a blunt and the blueprint
And y'all coming like students
So I

Finna break shit down, disintegrate
They can tell that the boy been hustling
Fight for the youth then pray for the great
And they talk too much, I'm troubling
Big 45 be all in your face
I ain't even doing no blatant chase
Broski doing amazing grace
Told that ****, "Go hard or back to your place"

Finna break shit down, disintegrate
They can tell that the boy been hustling
Fight for the youth then pray for the great
And they talk too much, I'm troubling
Big 45 be all in your face
I ain't even doing no blatant chase
Broski doing amazing grace
Told that ****, "Go hard or back to your place"

Fight for the youth then pray for the great
And they talk too much, I'm troubling
Big 45 be all in your face

Told that ****, "Go hard or back to your place"

Finna break shit down, disintegrate
