

Expensive bag with me in bank
Don't tell me to stand in line
Thank God, I'm not with guns and guys
Evil echiche on my mind
No I.D Card when I'm in town
Uniform men chọọ ịtrack m down
Record label chọọ ị sign m, I told them to go home and double the cash

Me and your B na-esewa in my airbnb
Do not disturb me, my phone nọkwa DND
Enwee m A P, the P is that achọọ m double AP, Benji in my jean
Nwa Enugu, but I'm riding a German engine

Receptionist said no smoking, but I came with all the smoke
First superstar from ime Nkpor, m na-enye ụmụ ogbe m hope
Logged in my blockchain, trading & exchanging with Passy
The pressure dị massive, Benjamin addict, the income is passive
I'm being patient, very soon I'll get a BJ in a PJ
Book a ticket for my DJ, I just got booked in Abj
So far so good, everything is ok
I'm done feeling this pain
Now, I'm only here for the gain
