If I named a price that came to my lips
Bruh, I'm finna get that gig
So many people rockin' my shit
I don't know how it got that big
If we do business I no make profit
Bruh, I finna beat that bitch
If I dey court and judge go talk shit
Bruh, I'm finna snatch that wig

It's God's given, Osinachi
Swag so clean, no washing machine
If I could get a designer pregnant
I'm fuckin' Alexandra my Queen
I need a mop stick for that drip-drip
Lewis bag with them big bricks
It's me and Jeriq call the paramedic
Larry Hoover
Big Meech
