See, the day I get this check
I'm finna go wild in my hood
So they could understand how much it really took
I'm that young flygerian, I pop on every hook
I see them trembling, I really got em shook
With a baddie on the way to the airport
Get to the store and gas her up and tell her to get more
Low key
Literally live on the 10th floor
Blow trees and hope my momma let me to vent more
I'm at your event, I make it look like a send forth
I told her back it up and serve like she a vendor
I just got my first milli mehn, need me hella barbie's
Money in the bag, it's a party

I bin no get 10 kobo (Ahhh)
No lele no pain and no sorrow (Ahhh)
Go hard, they talk say I no follow
My lady think say I don kolo (Think say I don kolo)
Ei, until I get my first milli (My first milli)
2 milli, 3 milli, 4 milli (4 mill)
No time to check on em, too busy (Ahhh)
Get money, get money, get money (Take money)

Many times many days many night
In my zone, lost in paradise
Looking for a chance, I dey try to survive
No be child's, I was traumatized
Afùgò m ife atagokwa m afùfù
Achòlò m akùkò, biko ajuna m ajuju
Olisa gbayalù, ayogo m ayiyòò
Ebubedike biko melù m ya ka m si chọọ
I picked 1 Milli, 2 milli, 3 milli, 4 milli, 5 milli
Now I want 1 billi
I've done many evil for the paper, certified go getter
In the ghetto thema know me wella

I bin no get 10 kobo (Ahhh)
No lele no pain and no sorrow (Ahhh)
Go hard, they talk say I no follow
My lady think say I don kolo (Think say I don kolo)
Ei, until I get my first milli (My first milli)
2 milli, 3milli, 4 milli (4 mill)

No time to check on em, too busy (Ahhh)
Get money, get money, get money (Take money)
