## Jeriq

Many people I don't know  
Life of star no be beans, you don't know  
Billion dollar for a show, yeah, you don't know  
Me I no go stop till I top on a low and everybody know

Real life matters, kala and dagger  
Qmọ, yawa dey and solution is raba  
Fought many demons, even backstabbers  
Looking for freedom, Nelson Mandela  
The Lord is my shepherd but I still want 100m  
Born inside the ghetto but I'm targeting foreign check  
Dues I'm paying, billionaire in the making  
Thank God, life of a star, I'm living
