Shawty si na she falling for me but I am falling the paper
Anyam di n'ime LV, adilo m afu any hater
Adilo m e chase Lisa, achọ m ego Monalisa

Hakuna matata, mood mu today bu Dolce and Gabanna
I came with heart of a lion, my chain dikwa cold savanah
My men are well to do, winners only in my cabana
Loader, tinye ife na aza, ka anyi jee lie ego na Cubana

Focus, focus
Emee m ya hocus pocus
Akwa, akwa mmadu ka a na-aya
Obala adilo n'ime robot
Welcome to my party
I'm a play boy like Carti
We show no sympathy
And on my feet is Marni

No sign of weakness
G upgrade your life in silence
Ufodu ndi na-atu olo, ufodu ndi na-ala ula
Ufodu ndi na-achọ okwu, ufodu ndi na-ekpe udo
Mana anyi na-acho akpa, anyi adilo achọ asa

Mulla is on my medulla

Mulla di na my medula
Mulla di na my medula
Mulla di na my medula
Mulla di na my medula
