

## Take Risk And Prosper

Jeriq

Take risk and prosper, don't disturb me, I'm too committed  
Writing down my goals, I make sure no shot is omitted  
Negative vibe is cancelled, I'm on a positive vibration  
Ka a biggie ime afia, olewa m, I'm busy with transaction

I have different types of girls, slim, thick fat  
Shawty stop quarreling with me, if you want "D", just tell me that  
Different intentions, you wanna have fun, I wanna have funds  
Action speaks louder, I might smoke loud, I don't make noise  
I'm counting, counting, counting numbers ka ndi na-agu census  
The time is 12 o'clock, silence, I'm praying my Angelus  
Iru efi na iru olo, I don't act funny, abulokwa m Sabinus  
Ghost rider, I can't surrender 'cos I'm born fighter

Take risk and prosper, don't disturb me, I'm too committed  
Writing down my goals, I make sure no shot is omitted  
Negative vibe is cancelled, I'm on a positive vibration  
Ka a biggie ime afia, olewa m, I'm busy with transaction

Take risk and prosper, don't disturb me, I'm too committed  
Writing down my goals, I make sure no shot is omitted
