

Trapping

Jeriq

Jayswargg on the track, run it back now
Jayswargg is the new problem
My P
Ogbe

A lot of reasoning going on in my medulla
Reasoning maka my future praying I make it out
I'm staying down ka onye Hausa na-ekpe Alakuba
Never fold ten toes down till munwa atawa
M na-aga hard, harder than hard
Asa banye na motor lemme take you on a ride
Speeding in my car, never to be caught in the act
Ano m on cloud nine busy thinking about my life

All my life, trapping all my life
Adigo m committed to cashing out from my device
We keeping quiet mana we smoking loud
All my life, trapping all my life

Don't fear all my life
Trapping all my life
I've been making plays make a move off a device
**** shut the fuck up, I ain't nice
All my life, trapping all my life
Eh! all my life
I just been rolling the dice
Life living it right
Ain't even checking the price
Fuck what these broke **** heard
Pull up in tinted suburbans
**** be lurking
I just been swerving
They know I'm faded
She know I'm jaded
Hundred bans on the pavement
**** get named I name 'em
I do work on my Mac
I ain't talking 'bout audiomack
Might pull up with a brand new strap
All these **** they talk I rap, mehn I did it like
Like Kanye West in the east
**** been born like a beast
I been in Cali' smoking on cali
And I'm just here by the beach
**** don't know about me
I should be charging 2 milli' a fee
When I just run I repeat
Bet they don't know what that means
I'm cold, I'm faded
I know I'll make it
**** been testing my patience
Running round had me just racing
Link up with Jeriq again
Shit getting scary again
He just pulled up in a Benz
Big YP y'all know how it ends like

All my life, trapping all my life
Adigo m committed to cashing out from my device
We keeping quiet mana we smoking loud
All my life, trapping all my life

Yeah! All my life, trapping all my life
I've been making plays make a move off a device
**** shut the fuck up, I ain't nice
All my life, trapping all my life

I want it A S A P ka Rocky
Don't step on my Nike, abɔbi
Anyi anɔlɔkwa na talking
Ka ndi agboro, we thugging
Jeezy no Kizzy
Ghetto boys needikwa loving
But I'm married to grind and I made it my wife
Obi ga-agbawakwa gi if I take you to my past
Gelato no cigar, my mulla getting bigger
M na-ego ani kita, m ga-alu unu soon na villa

A lot of reasoning going on in my medulla
Reasoning maka my future praying I make it out
I'm staying down ka onye Hausa na-ekpe Alakuba
Never fold ten toes down till munwa atawa
M na-aga hard, harder than hard
Asa banye na motor lemme take you on a ride
Speeding in my car never to be caught in the act
Ano m on cloud nine, busy thinking about my life

All my life, trapping all my life
Adigo m committed to cashing out from my device
We keeping quiet mana we smoking loud
All my life, trapping all my life

Yeah! all my life, trapping all my life
I've been making plays make a move off a device
**** shut the fuck up, I ain't nice
All my life, trapping all my life

I want it
Extraordinaire
Jayswagg, eh, get over the back, eh
It's beat producer of all nations
I want it
All my life, trapping all my life
I've been making plays make a move off a device
**** shut the fuck up, I ain't nice
All my life, trapping all my life
