

Afterlife

Jeris Johnson

Are you gonna take me over?
Are you gonna leave me to the crows?
I can feel it getting colder
I've been waiting for my time to

Go, tell me are the gates really made of
Gold? Baby, if it's really over

I need you to show me the edge of the night
I need you to get me there dead or alive
Meet me in the afterlife, meet me in the afterlife, ah-ah
I don't wanna open my eyes till I see you on the other side

You can say it's all for closure
I can hear a knock on Heaven's door
Do you feel my heart beat slower?
I've been waiting for my time to

Go, tell me are the gates really made of
Gold? Baby, if it's really over

I need you to show me the edge of the night
I need you to get me there dead or alive
Meet me in the afterlife, meet me in the afterlife, ah-ah
I don't wanna open my eyes till I see you on the other side

(See you on the other side
See you on the other side
See you on the other side
See you on the other side)

This is the end, I'm on the edge
I'll pay for our sins by dying again
This is the end, I'm on the edge
I'll pay for our sins by dying again

I'm dead
