

Battling My Demons

Jeris Johnson

It's always the beating of fear in my heart
Something I can never show
I'm never defeating what lies in the dark
Hiding in the truth of

How far it goes
How deep it flows
Nobody knows, nobody knows
Invisible, Invisible
Nobody knows

I'm battling my demons
Bury them so deep inside of my mind
(Whoa)
Tryna find some peace in
Pain without a meaning
In my life
I'm battling my demons tonight

Torn apart by the undertow
Another loss is another blow
The loneliness in this bucket is all I know
If I could set fire to this vulture in my soul
Watch it glow and call it art
Maybe this sickness would leave my heart

But until then I won't hold my breath again
Bikini Bottoms wearing thin
I'm going in

I'm battling my demons
Bury them so deep inside of my mind
(Whoa)
Tryna find some peace in
Pain without a meaning
In my life
I'm battling my demons tonight

I'm prepared to die right where I stand
Cold blooded killer with my sword in hand
I won't let these demons tell me who I am

(Blegh!)

(Ra ta ta ta ta)
(Ta ta ta ta)

Get the fuck out of my head

I'm battling my demons
Bury them so deep inside of my mind
(Whoa)
Tryna find some peace in
Pain without a meaning
In my life
I'm battling my demons tonight
I'm battling my demons tonight
