BREAK!

Jeris Johnson

(Oh, I'm about to break, break, break, break, break, break, break)
(I'm about to break, break, break, break)
Yeah, ay, yeah

I'm about to break, break, break, break, break, break, break
I'm about to break, break, break, break, break, break, break

Say it to my face, open up the gate
Don't you run away cause I'm right on the way (hey)
I can hardly take it, I can hardly fake it (yeah)

Break me to hard I might break
Break me to hard I might break
Break me to hard I might break
And you don't want to see me break
But if I do, you better pray, yeah

Got my sane and I got my mercy
Lifes been good but I still hurtin'
Must be hell cause my soul is burnin'
Help me (hey)

Okay, maybe, maybe I just need to take like a deep breath
And find my inner peace, you know
And, and maybe start meditating like I always said I was going to
And then- no fuck that shit motherfucker

Ay, ay, ay
Got me fucked up, got me fucked up
Grab me by the nuts, got me all fucked up
Got me fucked up, got me fucked up
Grab me by the nuts, got me all fucked up

Come here right now
Let me lay it down
Fuck it, make it work
Make it, [?] right now

Let me see it bounce, bo-bounce, bounce, bounce
Let me see it bounce, bo-bounce, bounce

(Oh, I'm about to break, break, break, break, break, break, break)

I'm about to break, break, break, break, break, break, break
I'm about to break, break, break, break, break, break, break
I'm about to-
