

# BURNING RUBBER

Jeris Johnson

I like black jeans, I like chrome rings  
I got great taste, I can good sing  
Rock Affliction shit I'm a zombie  
Resurrecting it, cause it's on me

I see uh uh, I see uh uh  
I see lights can you hear the thunder?  
I see uh uh, I see uh uh  
I see smoke 'cause I'm burning rubber  
Oh...  
I see uh uh, I see uh uh  
I see smoke 'cause I'm burning rubber

Took her soul that's another fallen angel  
I can't help that I like 'em unstable  
And when I'm done, she'll need a cane 'cause I'm Abel  
OnlyFans I won't add her to my payroll

All gas, no brakes  
All gas, no brakes  
All gas, no brakes  
All ga-

I see uh uh, I see uh uh  
I see lights can you hear the thunder?  
I see uh uh, I see uh uh  
I see smoke 'cause I'm burning rubber  
Oh...  
I see uh uh, I see uh uh  
I see smoke 'cause I'm burning rubber
