

# damn!

Jeris Johnson

Yeah

I was like, "Damn! Fuckin' insane"  
She was like, "Baby, will you hold my hand?" (My hand)  
I was like, "Hey, won't you come my way?"  
She was like, "I've been thinking 'bout it all day" (All day)

I was like, "Damn! Keep up if you can"  
Sleep is for the weak when the wheel is on ten  
Diamond-plated rockstar, upgraded to fifteen cars  
An evening with me's never cheap  
From my view, we're sitting pretty, pretty  
Hold them up and hit it with me, with me  
Got a rookie and a vet, that's a tag-team  
Smoke it or you're choking on the damn thing

(Yeah)

I was like, "Damn! Fuckin' insane"  
She was like, "Baby, will you hold my hand?" (My hand)  
I was like, "Hey, won't you come my way?"  
She was like, "I've been thinking 'bout it all day" (All day)

I'm bringing metal back (Ay)  
Now everybody wants a photograph (Ay)  
Gotta get some fame, this one know how to act (Yeah)  
The only way I'll quit, it's a bodybag, heart attack  
And I resurrect, so watch your back  
Ay, death eater in my brain  
Death metal in my veins (Blegh)  
Your girl gonna eat my name  
She wanna lick my chain  
In Pekin they checking me in  
My sword and my shield  
My kingdom will win  
My people ascend again and again  
And me and Chad are 'bouta get our revenge

I was like, "Damn! Fuckin' insane"  
She was like, "Baby, will you hold my hand?" (My hand)  
I was like, "Hey, won't you come my way?" (Way)
