

# damn!

Jeris Johnson

Yeah!

I was like, "Damn! Fuckin' insane"  
She was like, "Baby, will you hold my hand?"  
I was like, "Hey, won't you come my way?"  
She was like, "I've been thinking 'bout it all day"

Yeah, I been in a  
Fuck this shit mood for a minute  
Ah-ah, when you comin' down?  
First you're gonna, first you're gonna buzz it down  
When you lock that door, got me smilin' now  
Woo, jaw really hit the ground, yeah  
Smokin' my shit, see a spirit kissin' my neck  
Now I feel it deep inside of my head  
(Deep inside of my head)

Yeah!

I was like, "Damn! Fuckin' insane"  
She was like, "Baby, will you hold my hand?"  
I was like, "Hey, won't you come my way?"  
She was like, "I've been thinking 'bout it all day"

I'm so, I'm so, I'm so fucking sick and tired of the bullshit  
That's what she says every time I won't hit  
I'm too busy right now 'cause I won't quit  
Everyone love my sound, never heard it

It ain't about the fame to me  
I'm living out my destiny  
Fuck on a couch while I make a beat  
I'm coming her way, it's about to be  
Damn, damn, damn  
Damn!

We just made the roommates (Damn!)  
We just made the neighbors (Damn!)  
We just made the neighborhood (Damn!)  
Sorry that it's so damn good

Alright, I'm done saying "damn"  
I lied

I was like, "Damn! Fuckin' insane"  
She was like, "Baby, will you hold my hand?"  
I was like, "Hey, won't you come my way?"  
She was like, "I've been thinking 'bout it all day"
