

# HANG LOOSE

Jeris Johnson

Day and night, I'm tryna catch the perfect vibe  
Ain't gonna find it nine to five  
Just let me live my life

Just let me live my life  
No shirt and no service on my cell  
Salt water ease my mind  
I hear you callin' me from a shell  
(Oooweeeeeee)  
Wouldn't it be so nice?  
(Oooweeeeeee)  
If we go until it feels right

Day and night, I'm tryna catch the perfect vibe  
Ain't gonna find it nine to five  
Just let me live my life  
Day and night, I'm tryna catch the perfect vibe  
Ain't gonna find it nine to five  
Just let me live my life

One, two, one two  
Hang loose  
I wanna hang loose and kick my feet up  
Wouldn't it be so nice?  
(Oooweeeeeee) I'mma break it loose and take a breather  
If we go until it feels right  
(Oooweeeeeee) I'mma hang loose and kick my feet up  
Wouldn't it be so nice?  
(Oooweeeeeee) I'mma break it loose and take a breather  
If we go until it feels right

Day and night, I'm tryna catch the perfect vibe  
Ain't gonna find it nine to five  
Just let me live my life  
Day and night, I'm tryna catch the perfect vibe  
Ain't gonna find it nine to five  
Just let me live my life  
Day and night, I'm tryna catch the perfect vibe  
Ain't gonna find it nine to five  
Just let me live my life
