

Very Special Part

Jermaine Jackson

Oooh, baby
You do it for me
I'll do it for you
Let's do it for life

I want to talk to you
Tell you what I wanna do
About the way I feel
I wanna give you my love
Honey, I'm speakin' up
One thing you can believe, yeah

I wanna spend my life with you
Do all the things that lovers do
You're the only one who made me care
You're the only one who took me there
Let's explore
What's the score
So much more, baby

I'd like to get into making you
A very special part of my life (heart)
I'd like to get into giving you
A very special part of my heart

Givin' me such a thrill
I holler from the highest hill
Want you to be my girl
Every day that goes by
I wanna be the guy
Who can fulfill your needs, yeah

Every time that I'm with you
I get a feeling
Yes, I do
And there's only one thing I can say
Want to love you every day
And there's no other way
There's no price that I won't pay

I'd like to get into making you
A very special part of my life (heart)
I'd like to get into giving you
A very special part of my heart

I just wanna hold you
I just wanna hold you
