

# You Need To Be Loved

Jermaine Jackson

Come and get it  
Come and get it  
Come and get my love

Come and get it  
Come and get it  
Come and get my love  
Come and get it  
Come and get it  
Come and get my love

Something's on your mind  
Something hard to find  
Every now and then you smile  
Slips away just for a while  
Don't you know your tears  
Can run like water here  
There's no need to feel ashamed  
If you let me, I'll explain

You need to be loved  
No matter what you say  
You need to be loved  
'Cause there will come a day when  
There'll be people who will get beneath your skin  
And they'll take advantage when you let them in  
Girl, the world is full of fools  
Who will hurt you being cruel  
Just like knives into your heart  
Unkind words will find their mark

So let me have the chance  
To give you some confidence  
'Cause it hurts me seeing how  
You don't trust nobody now  
Oh, yesterday is gone  
And mistakes can make you strong  
They will help you realize  
What you're missing in your life

You need to be loved  
That's what's missing, girl (Baby)  
You need to be loved  
Sheltered from the world  
You're so vulnerable, so soft and delicate  
You're the kind someone like me just wants to protect  
I've been waiting here for you  
Just like all the time I do  
After you have tried the rest  
You will find my love is best, oh

Girl, yeah  
(You know I love you  
You know I love you)  
Oh, girl  
(My love, my love)

Come and get it (You need to be loved)  
Come and get it  
Come and get my love  
Come and get it (Need to be loved)  
Come and get it  
Come and get my love

Hey, girl (You need to be loved)  
Don't you wanna know  
Hey, girl (You need to be loved)  
Just before you go

Come and get it (You need to be loved)  
Come and get it  
Come and get my love  
Come and get it (You need to be loved)  
Come and get it  
Come and get my love

Hey, girl (You need to be loved)  
Don't you wanna know  
Hey, girl (You need to be loved)  
Just before you go

Come and get it (You need to be loved)  
Come and get it  
Come and get my love  
Come and get it (You need to be loved)  
Come and get it  
Come and get my love

Oh, baby baby, can't you see  
I'm the one who's really gonna set you free  
Yeah  
Just before you go

Hey, girl (You need to be loved)  
Don't you wanna know  
Hey, girl (You need to be loved)  
Just before you go

Come and get it (You need to be loved)  
Come and get it  
Come and get my love  
Come and get it (You need to be loved)  
Come and get it  
Come and get my love

Oh, sugar sugar, don't you know (You need to be loved)  
I'll never ever let you go  
Oh, baby (You need to be loved)

Hey, girl (You need to be loved)  
Don't you wanna know  
Hey, girl (You need to be loved)  
Just before you go

Come and get it (You need to be loved)  
Come and get it  
Come and get my love  
Come and get it (You need to be loved)  
Come and get it  
Come and get my love

(You need to)
