

# Betty Blue

Jermaine Stewart

Yes, I remember Betty  
She taught me things no other woman could

Ow!

Yeah  
(Oh-wee, oh-wee)  
Listen  
(Oh-wee, oh)

Betty was in education  
You couldn't get in school  
An older woman with a hunger  
For breaking all the rules  
And the tender heart of a young boy  
She made a first mistake  
While she had my cradle rocking  
The bough began to break  
You got to understand  
You made this boy a man  
And he just can't get over you

Betty Blue  
I really need to know  
Betty Blue  
Where did my teacher go?

Betty was a sensation  
A dream that came to life  
I guess she was my lover  
But someone else's wife  
Sneaking out through the back door  
On another midnight run  
I should've seen it coming  
She was only having fun  
The writing on the wall  
I never saw it all  
And I still can't get over you

Betty Blue  
I really need you now  
Betty Blue  
No other girl knows how  
To love me  
That crazy way that you do  
Can't you see  
I need my Betty Blue, yeah

Is it wrong to go along  
Wishing that soon you will  
Come back to me?  
Oh, overtime will change your mind  
But just for now  
I'll be drifting on your memory

Baby, sing  
(Oh-wee, oh-wee)

Mm-mm-mm-mm  
(Oh-wee, oh)  
Hey  
(Oh-wee, oh-wee)  
Listen up

You got to understand  
You made this boy a man  
And I just cannot help myself, girl  
Just like you did before  
You left me wanting more  
And I just can't get over you, Betty

Betty Blue  
I really need you now  
Betty Blue  
No other girl knows how  
To love me  
That crazy way that you do  
Can't you see  
I need my Betty Blue  
Yes, I do now, girl

Betty Blue  
I really need you now  
(Oh-wee, oh-wee)  
Betty Blue  
No other girl knows how  
(Oh-wee, oh)  
To love me  
That funky way that you do  
(Oh-wee, oh-wee)  
Can't you see  
I really, really need you, Betty Blue, yeah

Betty Blue  
I really need you now  
(Oh-wee, oh-wee)  
Betty Blue  
No other little girl knows how  
(Oh-wee, oh)  
To love me  
That funky way that you do to me, yeah  
(Oh-wee, oh-wee)  
Can't you see  
I really need you, Betty Blue
