Jermaine Stewart

Remember, we were just in high school  
How I stared, I stared at you, oh-oh-oh-oh  
The fellas, all they ever wanted  
Was to take you out to show you all

You're older and I'm glad  
Time didn't forget about you and me, so

Debbie  
You know that I feel for you  
La-la-la-la  
You know it's true  
La-la-la-la  
D-D-D-D-Debbie  
Shooby-shooby-doop-da-da  
You're still the same as you were  
La-la-la-la  
Way back in school  
La-la-la-la  
Way back in school

I am glad that you're never married  
After all, all these years, ah-ah-ah-ah  
Gee whiz, I always figured  
You'd be mine 'til the end of time

You're older and I'm glad  
Time didn't forget about you and me, so

Debbie  
You know that I feel for you  
La-la-la-la  
You know it's true  
La-la-la-la  
D-D-D-D-Debbie  
Shooby-shooby-doop-da-da  
You're still the same as you were  
La-la-la-la  
Way back in school

Way back in school

All the fellas  
All they ever want to do was to  
Take you out show you all  
For all I ever want to do was to

You're older and I'm glad  
Time didn't forget about you and me, so
