

Frantic Romantic

Jermaine Stewart

Can't you see?
I'm just a frantic romantic
I'm so in love with you

Sipping wine by candlelight
While I gaze into your eyes
I should treat like you were of when
All the riches in the world
The biggest diamond or a pearl
You'll get nothing but the best from me
You just take away your awe
There's no need for you to change
You deserve the finest things for free
If you ever wonder why
That I treat you oh so nice
It's because I want you just for me

If I thought that I give you paradise
I wouldn't hesitate, no, no, no
I place in your hands with full demands today
Baby, baby, baby

Can't you see?
I'm just a frantic romantic
Follow me, it's my destiny
Can't you see?
I'm just a frantic romantic
So in love with you

Climb aboard my private jet
I'll show you things you won't forget
Take a trip to some exotic loveland
You're a vision, you're my star
You're the magic to my heart
Every wish you have is my command

If I thought that I give you paradise
(Thought that I, paradise)
I wouldn't hesitate, no, no, no
(Hesitate)
I place in your hands with full demands today
(In your hands, full demands)
Baby, baby, baby

Can't you see?
I'm just a frantic romantic
Follow me, it's my destiny
Can't you see?
I'm just a frantic romantic
So in love with you

Can't you see?
I'm just a frantic romantic
Follow me, it's my destiny
Can't you see?
I'm just a frantic romantic
So in love with you

Ah, can't you see I'm a frantic romantic?
Uh-huh, that's right, mmm...

If I thought that I give you paradise
(Thought that I, paradise)
I wouldn't hesitate, no, no, no
I place in your hands with full demands today
(In your hands, full demands)
Baby, baby, baby

Can't you see? (Can't you see?)
I'm just a frantic romantic (Oh, yeah)
Follow me, it's my destiny
(It's my destiny)
Can't you see?
I'm just a frantic romantic
So in love with you

Can't you see?
I'm just a frantic romantic
(So romantic, baby)
Follow me, it's my destiny
Can't you see?
(Oh, can't you see?)
I'm just a frantic romantic
So in love with you
(I'm so in love, oh, with you)

Can't you see?
I'm just a frantic romantic
(Uh-huh, don't you love me, baby?)
Follow me, it's my destiny
(My destiny, can't you see?)
Can't you see?
I'm just a frantic romantic
So in love with you
