

# My Body

Jermaine Stewart

Seen this girl at an all-night party  
We turned it out, danced a bunch  
We danced on the walls, we danced on the floor  
When the lights came up, I couldn't take it no more

She took me round (and round)  
And around (around)  
And round and round and round (around)  
My body, mmm, my body  
My body, mmm, my body

Well, she wanted love so serious  
I can see it all by the look in her eyes  
She said, take my hand, I'll make you my man  
When the lights came up, well, I'm sure you understand

She took me round (and round)  
And around (around)  
And round and round and round (around)  
Oh, my body, mmm, my body

My body, her body  
I lost control of her body  
(Talkin' about, talkin' about her body)  
My body, her body  
She took control of my body  
(Oh...)  
My body, her body  
She fell in love with my body  
(And round and around and)  
My body, her body  
Everybody, let's party  
(And round and around)  
(My body)

Mmm, yeah, mmm...  
Mmm, yeah, mmm...  
Oh, mmm, yeah...

Oh, she took me round (and round)  
And around (around)  
And round and round and round (around)  
My body, oh yeah  
(And round and around and round)  
(And round and around, my body)  
Oh, yeah, oh, yeah, oh, yeah

My body, my body  
My body, yeah, yeah, yeah, yeah  
My body  
Everybody, everybody, everybody, oh  
Mmm, my body  
Everybody, let's party  
Ooh-ooh, my body  
Everybody let's dance, everybody

Everybody let's dance

Oh, yeah, uh-huh  
Everybody let's party  
Everybody let's dance  
Around my body, yeah

Everybody let's dance  
Mm-hmm, wanna dance  
Everybody let's party  
Everybody let's dance  
Around my body  
Oh, everybody

Everybody let's dance  
Oh, yeah, uh-huh  
Everybody let's party  
Everybody let's dance  
Around my body  
Let's dance around my body, ooh

Everybody let's dance  
Oh, mm-hmm  
Everybody let's party  
Everybody let's dance  
Around my body
