

# Spies

Jermaine Stewart

Underneath lies in there the spies  
That wear trench coats, oh yeah  
And they all know and will follow you  
Wherever you go

Then stab your back with only just one look  
(One look)  
You'll never know or learn who was the crook  
The crook, the crook, the crook

So you better beware of spies  
(Spies)  
Wearing trench coats  
They're your friends  
Until you're down  
Beware of spies  
(Spies)  
Wearing trench coats  
They will getcha  
Someday, somehow  
Beware of spies  
(Spies)  
Wearing trench coats  
Wearing trench coats, ah yeah  
They wear trench coats, ooh

Look behind and all that you will find  
Trench coats, ooh yeah, yeah, yeah, yeah  
The secret lives, you can spot it  
In their eyes

Then stab your back with only just one look  
(One look)  
You'll never know or learn who was the crook  
The crook, the crook, the crook

So you better beware of spies  
(Spies)  
Wearing trench coats  
They're your friends  
Until you're down  
Beware of spies  
(Spies)  
Wearing trench coats  
They will getcha  
Someday, somehow  
Beware of spies  
(Spies)  
Wearing trench coats  
Wearing trench coats, oh yeah  
They wear trench coats, ooh

What?  
What you say?

They'll stab your back  
One look

Who was the crook  
The crook, the crook, the crook

So you better beware of spies

(Spies)

Wearing trench coats

They're your friends

Until you're down

Beware of spies

(Spies)

Wearing trench coats

They're your friends

When you are down

Beware of spies

(Spies)

Wearing trench coats

They're your friends

Until you're down

Beware of spies

(Spies)

Wearing trench coats

Wearing trench coats, oh yeah

They wear trench coats, ooh

Beware of spies

(Spies)

Wearing trench coats

They're your friends

Until you're down

Beware of spies

(Spies)

Wearing trench coats

Wearing

Beware of spies

(Spies)

Wearing trench coats

They're your friends

Until you're down

Beware of spies

(Spies)

Wearing trench coats

Trench coats, trench coats, oh yeah

They wear trench coats, ooh
