Jermaine Stewart

A fantasy, a different lover
You taught me things I never knew
I love your hair, it's forever changing
Don't question me, I love the change in you

Indiscreetly, I'll be proud to say
That I think you are just so unique
Make your own moves, it's up to you to choose
With every breath, friend
I can truly say that

You're versatile
Changing (changing)

A not-so-boring love affair
I never know what to expect from you
Be it trendy or nostalgic wear, 'cause
