

A Lifetime of Dancin' to Do

Jerrold Niemann

Dance with me, baby, they're playing our favorite song
And don't mind me, darling, if I hang on too long
I need more than three minutes of me holding you
We've got a lifetime of dancin' to do

Hold on, I need your loving next to me
Hold on, keep following each other's lead
I'll go ahead and say I'm sorry
Cause I'm knowing that I'm probably
Gonna take a wrong step or two
Hold on, while I hold on to you
We got a lifetime of dancin' to do

As you lean a little closer, I feel you on my skin
My heart beats faster, my head starts to spin
So for here and here on after, let's wear holes in our shoes
We've got a lifetime time of dancin' to do

Hold on, I need your loving next to me
Hold on, keep following each other's lead
I'll go ahead and say I'm sorry
Cause I'm knowing that I'm probably
Gonna take a wrong step or two
Hold on, while I hold on to you
We got a lifetime of dancin' to do

Hold on, I need your loving next to me
Hold on, keep following each other's lead
I'll go ahead and say I'm sorry
Cause I'm knowing that I'm probably
Gonna take a wrong step or two
Hold on, while I hold on to you
We got a lifetime of dancin' to do
We got a lifetime of dancin' to do
