

Only God Could Love You More

Jerrod Niemann

The things you say
They hit me with a right sometimes
Hit me with a left sometimes
But I'm still standing
For Us
You make me wanna dream sometimes
Make me wanna scream sometimes
I'd never give you up

So know you are not alone
I am in this two, this is us
This is me and you
So go, turn and walk out that door
I hope you find what you're lookin' for
Just know only God could love you more
Than I do

I know
We take it to the limit sometimes
Our friends get caught up in it sometimes
Wish we never met sometimes
I'm not understating

So know you are not alone
I am in this two, this is us
This is me and you
So go, turn and walk out that door
I hope you find what you're lookin' for
Just know only God could love you more
Than I do

The things you say
They hit me with a right sometimes
Hit me with a left some times
I'm still standing
We're Still Standing

So know you are not alone
I am in this two, this is us
This is me and you
So go, turn and walk out that door
I hope you find what you're lookin' for
Just know only God could love you more
Than I do
