

Gone

Jerry Cantrell

All dreams have died, along the way
I coughed up the price, I bought a cage
I've had a hell of a time since I went away
Don't know when I died, or where to lay down

Gone, gone away
Yeah gone, gone away

God knows I've tried, I'm dyed in pain
Strong yet simple drive, the freedom to say
I've had a hell of a time since I went away
Homing on traces of light, that distance fades

Yeah I'm gone, gone away
Yeah I'm gone, gone away

So they say with time, we slowly heal
I caught a flash of your smile, through the fog of a dream
I'll have a hell of a time, I clearly see
I can't be by your side, I'll see you when I sleep

Now you're gone...gone away
Yeah you're gone...gone away
