

## What It Takes

**Jerry Cantrell**

It takes a mountain of faith  
River flowing pain  
It takes a hammer on a nail  
A whole lotta love... yeah...

It takes a lifetime of working  
A touch of understanding  
It takes a wind in the sails  
Little children singing... yeah...

It takes a sun burning knowledge  
An ocean full of feeling  
It takes a certain kind of hunger  
A whole lotta love... yeah..
