

# #VEGAN

Jerry Heil

I bet your mother wouldn't like me  
She cooks paella, I don't like meat  
That's how it began, began  
Oh ooh ooh

I bet your father wouldn't get it  
Why am I seatin' eatin' carrot  
That's cause I'm vegan, vegan  
(That's cause I'm vegan, vegan)  
(Cause I'm vegan)

Ooh  
Shoot me, shoot me with your jokes  
Detox tea at 5 o'clock  
OK

Baby cause I'm vegan  
I can't even call you honey  
Every time we're having beef  
Is my little suicide  
Vegan  
Give me ruccola, take my money  
Cause the grass is always greener  
On the other side

Vegan  
Baby cause I'm vegan

We met on Tinder, it's our 1st date  
I hoped you'd be my vegan soulmate  
But it went awful, awful  
Oh ooh ooh

I'm skinny not 'cause I don't feel well  
But you keep asking 'bout my B12! (Man!)  
I've got my tofu, tofu  
Oh ooh ooh

Boom, knock knock  
Shoot, shoot, shoot me with your jokes  
Detox tea at 5 o'clock

Baby cause I'm vegan  
I can't even call you honey  
Every time we're having beef  
Is my little suicide  
Vegan  
Give me ruccola, take my money  
Cause the grass is always greener  
On the other side

Easy breezy lemon squeezy  
Holy moly guacamole

And what about gym? What about big butts?  
You wanted see my proteins, so watch me going nuts

Baby cause I'm vegan  
I can't even call you honey  
Every time we're having beef  
Is my little suicide
