

# Jaded Lover

Jerry Jeff Walker

Well now it won't be but a week or two  
'Til you'll be out lovin' someone new  
Seems like it's happened a hundred times before  
But I can see you been spreadin' yourself too thin  
It's a lonely stage that we been goin' through  
So don't get up I can find my own way to the door

And I can see you are an angel  
With wings that won't unfold  
Tune up your harp, polish your old halo  
The only kind of man that you ever wanted  
Was the one that you knew  
You'd never hold very long  
Sittin' there cryin', like I'm the first one to go

You may have thirty lovers behind you  
I can feel you but I just can't find you  
Seems like you would have found  
Your own self by now  
But late at night those lover's tears come back  
Faces in your dreams, fingers in your back  
Voices of the memories for cryin' out loud

And I can see you are an angel  
With wings that won't unfold  
Tune up your harp, polish your old halo  
The only kind of man that you ever wanted  
Was the one that you knew  
You'd never hold very long  
Sittin' there cryin', like I'm the first one to go

Well it's a lovely sight to see you in your sleep  
I believe I'm leavin', I'm in too deep  
I guess that's easy enough for any man to say  
Still, we'd never agree if we talked all night  
Things are getting heavy and I'm travelling light  
Goodbye you jaded lover  
You undercover queen for a day

And I can see you are an angel  
With wings that won't unfold  
Tune up your harp, polish your old halo  
The only kind of man that you ever wanted  
Was the one that you knew  
You'd never hold very long  
Sittin' there cryin', like I'm the first one to go
