

# Rodeo Cowboy

Jerry Jeff Walker

Yeah, I work all week just to make a draw,  
Sometimes I don't ride 'em at all.  
But I'm hooked in and I got to ride that train.  
When I get down in that chute,  
I can't keep from thinkin' about all that loot,  
I'm a ro-do-o de-o de-o cowboy  
Bordering on the insane.

That's why I drink a cheeseburger, eat a six-pack  
Take a Darvon to kill the pain.  
Pay thirty-two fifty just to take a fall,  
I live through it to tell you 'bout it all.  
I'm a ro-de-o de-o de-o de cowboy  
Bordering on the insane.

Now, relax and take a deep breath or two  
It's a one time shot and then you're through  
Hang on, boy, and someday you'll have fame.  
When they open up that gate  
The bull takes off like a runaway freight  
And you're a ro-de-o de-o de-o de cowboy  
Bordering on the insane.

That's why I eat a cheeseburger, drink a six-pack  
Take a Darvon to kill the pain  
Pay thirty-two fifty just to take a fall  
I live through it just to talk about it all  
I'm a ro-de-o de-o de-o de cowboy  
Bordering on the insane.

The cobwebs sure are thick, what's goin' on?  
I feel like all my circuits are blown.  
I can't remember my number or name.  
Gimme a beer or two and I'll feel fine,  
'Least it's worked every other time  
'cause I'm a rodeo de-o de-o de cowboy  
Bordering on the insane.

That's why I drink a cheeseburger, eat a six-pack  
Take a Darvon to kill the pain.  
Pay thirty-two fifty just to take a fall,  
I live through it to tell you 'bout it all.  
I'm a ro-de-o de-o de-o de cowboy  
Bordering on the insane.
