

Walking in a Winter Wonderland

Jerry Jeff Walker

Over the ground lies a mantle of white
A heaven of diamonds shine down through the night
Two hearts are thrillin' in spite of the chill in
The weather

Love knows no season love knows no clime
Romance can blossom any old time
Here in the open we're walkin' and hopin'
Together

Sleigh bells ring are you listening
In the lane snow is glistening
A beautiful sight we're happy tonight
Walking in a winter wonderland

Gone away is the bluebird
Here to stay is a new bird
He sings a love song as we go alone
Walking in a winter wonderland

In the meadow we can build a snowman
And pretend that he is Parson Brown
He'll say "Are you married?", we'll say "No, man
But you can do the job when you're in town"

Later on we'll conspire
As we dream by the fire
To face unafraid the plans that we made
Walking in a winter wonderland
