

## Walking in a Winter Wonderland

Jerry Jeff Walker

Over the ground lies a mantle of white  
A heaven of diamonds shine down through the night  
Two hearts are thrillin' in spite of the chill in  
The weather

Love knows no season love knows no clime  
Romance can blossom any old time  
Here in the open we're walkin' and hopin'  
Together

Sleigh bells ring are you listening  
In the lane snow is glistening  
A beautiful sight we're happy tonight  
Walking in a winter wonderland

Gone away is the bluebird  
Here to stay is a new bird  
He sings a love song as we go alone  
Walking in a winter wonderland

In the meadow we can build a snowman  
And pretend that he is Parson Brown  
He'll say "Are you married?", we'll say "No, man  
But you can do the job when you're in town"

Later on we'll conspire  
As we dream by the fire  
To face unafraid the plans that we made
