## **Walking in a Winter Wonderland**

## Jerry Jeff Walker

Over the ground lies a mantle of white A heaven of diamonds shine down through the night Two hearts are thrillin' in spite of the chill in The weather

Love knows no season love knows no clime Romance can blossom any old time Here in the open we're walkin' and hopin' Together

Sleigh bells ring are you listening In the lane snow is glistening A beautiful sight we're happy tonight Walking in a winter wonderland

Gone away is the bluebird Here to stay is a new bird He sings a love song as we go alone Walking in a winter wonderland

In the meadow we can build a snowman

And pretend that he is Parson Brown

He'll say "Are you married?", we'll say "No, man

But you can do the job when you're in town"

Later on we'll conspire
As we dream by the fire
To face unafraid the plans that we made
Walking in a winter wonderland
