

## As Long As I Live

Jerry Lee Lewis

As long as I live  
Baby, I'm gonna give you all of my heart  
We can't be apart as long as I live  
Yes, I'm gonna give you all of the stars above that shine  
Just give me just a little more time  
Then I'm gonna make this whole world your's and mine  
As long as I live

Baby, I wanna see you give your love  
To nobody but me as long as I live  
Yes, I wanna be your one desire  
That kissed the flame burning in your heart like fire

Yes, I wanna be your one desire  
Yes, I wanna be your one desire  
Yes, I wanna be your lips' desire  
Well, you gotta be here when the sun goes down

Oh, yeah and when I call your name  
Pretty baby, don't let me down  
As long as I live  
Baby, I'm gonna give you all of my heart  
We can't be apart as long as I live

Yes, I'm gonna give you all of the stars above that shine  
Honey, just give me just a little more time  
Then, I'm gonna make this whole world your's and mine  
Yes, I'm gonna make this whole world your's and mine
